temperature-pressure indicators / sıcaklık ve basınç göstergeleri
safety valve / emniyet vanası
expansion tank / genleşme tankı
drain valve / boşaltma vanası
pump / pompa
mixing or diverting valve / karıştırıcı veya dağıtıcı vana
sensor
check valve
Air vent / Hava tahliye
Valves / Vanalar

STATION-FLUID HEATING BY HOT WATER-4

mdt heat transfer technology

STATION BOUNDARIES

temperature-pressure indicators / sıcaklık ve basınç göstergeleri
safety valve / emniyet vanası
expansion tank / genleşme tankı
drain valve / boşaltma vanası
pump / pompa
3-way control valve
sensor
check valve
Air vent / Hava tahliye
Ball Valve / Küresel vana

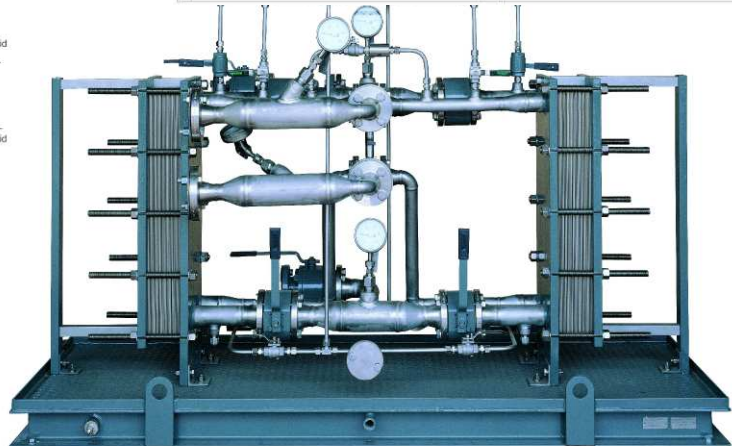

COMPACT MODULE-WATER / LIQUID heating BY STEAM
